Drum roll please ...

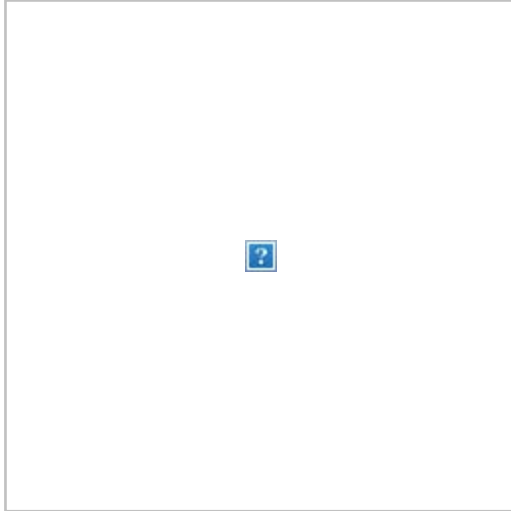

(We think you are really going to like this.)

We have done our due diligence and talked to some of you regarding ProsperWalk™, and two things are clear: You would love to have a ProsperWalk™ App, but money is tight!

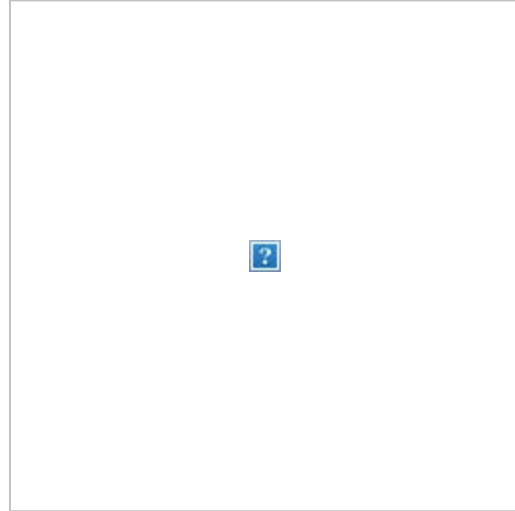

So we came up with a solution that takes care of both issues. Ready, wait for it ... we are making ProsperWalk™ a FREE platform.

FREE to Downtowns and Main Streets,
FREE for users to download, and
FREE for your business members to have a page in the app!

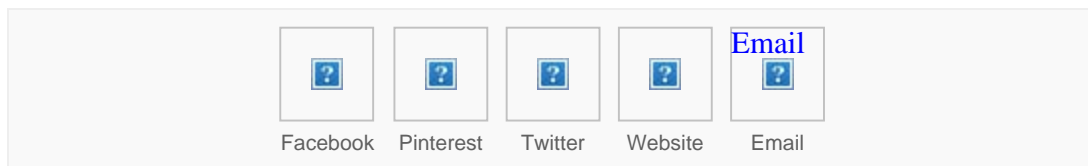

We are ironing out all of the details, but we couldn't wait any longer to break the great news! We will keep you updated on the details as soon as we have them all figured out.
